Fundraising Dinner

Allah will Build your House in Jennah

Who is he that will lend Allah handsome loan: then (Allah) will increase it manifold to his credit (in repaying) (many times) (2:245)

Dear Brothers and Sisters,
Assalamualaikum wa Rahmatullah

By the grace of Allah few months ago we have registered and opened the Monroe Woodbury Islamic Center in Monroe, NY to serve more than 100 Muslim families in the community. The establishment of the center is extremely necessary because the nearest mosque to this community is about 35-40 minutes away. We started the center by renting three rooms in an office building, where we are regularly performing 5 times prayer and running a Sunday school. Alhamdulillah, the assembly is getting bigger everyday, and now we are in a stage to expand the center to accommodate more people as well as fulfilling the needs of our Muslim community.

We need your support. We need your strong financial support and co-operation to get to the next step. Your generous donation can help us build a Masjid in this area that will serve Muslims for years to come. Please help us. Since it is a non profit organization, all the donations are tax exempt. Upon receiving your donation, we will provide you the receipt.

As our beloved Prophet Muhammed (PBUH) said **"Whoever builds a mosque, desiring thereby Allah's pleasure, Allah builds for him the like of it in paradise."** (B. 8 : 65.). Dear brothers and sisters, we are pleading you to help us building the mosque and inshallah you will receive Allah's reward as Sadaqa. Our stay in this world is very short. If Allah blessed you with abundance, you should not refrain yourself to donate for Allah's sake. Your donation will not go in vein. You surely will be rewarded upon returning to Him.
